Resolutions:

Resolution 20-23

Town of Worcester Bridge and Culvert Aid

Whereas, the Town of Worcester is requesting aid for design and installation of a new bridge on West Solberg Lake Road over Solberg Lake at Disappearing Creek; and

Whereas, project costs are estimated at \$890,000, such costs to be determined upon project completion; and

Whereas, the funding criteria for the above-mentioned project is as follows:

50% Federal LRIP; 25% Price County; 25% Town of Worcester; and

Whereas, the County portion will be recovered by a direct/special tax levy per § 82.08(2)(a), Wis. Stats., assessed to townships participating in the Bridge and Culvert Aid Program.

Now therefore be it resolved that the Price County Board of Supervisors hereby approves the Town of Worcester Bridge and Culvert Aid Request.

Fiscal Impact: \$222,500 municipal tax levy (estimated)

Resolution 21-23

Request the Wisconsin Legislature to Amend §59.52(29)(a) Public Works Publication Requirements WHEREAS, under the current State law, if the estimated cost of any public work is between \$5,000 and \$25,000, a class 1 notice is required before the project is contracted; and

WHEREAS, with the incredible increase in costs of construction, repair, remodeling or improvement of any public work, building, supplies or materials the project costs can easily fall in the threshold of \$5,000 to \$25,000; and

WHEREAS, in small rural counties, the publication options are generally on a weekly basis; and

WHEREAS, to meet the publisher's deadlines, the notice information needs to be submitted at least a week before publication; and

WHEREAS, this publication requirement can significantly delay a project and make it extremely difficult to move forward with contractors committing project costs and availability in their schedules.

NOW THEREFORE BE IT RESOLVED that the Price County Board of Supervisors urges the Legislature to amend Wis. Stats. §59.29(29)(a) to eliminate the requirement for a class 1 notice for estimated cost of any public work being between \$5,000 and \$25,000; and

BE IT FURTHER RESOLVED that the County Clerk is directed to send a copy of this resolution to

Governor Evers, the Joint Finance Committee of the Wisconsin Legislature, the state legislators for Price County and the Wisconsin Counties Association (WCA) for consideration at the WCA annual business meeting to become part of the WCA platform.

Resolution 22-23

Request Elimination of the 0% Levy Cap Imposed on Wisconsin Counties

WHEREAS, in 2012, the State of Wisconsin imposed limits on town, village, city and county property tax levies under Wis. Stat. §66.0602; and

WHEREAS, Wis. Stat. §66.0602 limits that increase to the local property tax levy to no more than the greater of (a) 0% of last year's actual levy or (b) a percentage equal to the percentage change in equalized value due to new construction less improvements removed; and

WHEREAS, the percentage of net new construction in Price County used to calculate the increase in the operating levy allowance has significantly lagged the CPI-U over this period; and

WHEREAS, as a result, Price County has been forced to absorb inflationary increases in normal operating expenditures with no offsetting increase in revenues; and

WHEREAS, the ever-increasing costs of operations including effective employee recruitment and retention, maintenance materials, operating supplies and unfunded mandates such as Child Protective Services, the issue continues to escalate out of control; and

WHEREAS, Price County has taken measures to curb spending by cutting costs, eliminating positions, reducing program offerings and postponing necessary work on building and highway infrastructure; and

WHEREAS, to continue to provide essential services to county citizens, Price County has resorted to using debt to fund qualified expenditures previously funded in its operating levy resulting in a higher cost to Price County taxpayers; and

WHEREAS, Price County will soon be unable to continue to fund operating levy by using debt; and

WHEREAS, the use of the referendum process to exceed the levy limit for normal operating and mandated costs presents an unacceptable risk for counties to be able to fund operations should such a referendum fail.

NOW THEREFORE BE IT RESOLVED that the Price County Board of Supervisors requests complete elimination of the current 0% tax levy cap or replacing it with a levy allowance that adequately reflects annual inflationary increases and the continual escalating cost of state mandated services; and

BE IT FURTHER RESOLVED that the County Clerk is directed to send a copy of this resolution to Governor Evers, the Joint Finance Committee of the Wisconsin Legislature, the state legislators for Price County and the Wisconsin Counties Association for consideration at the WCA annual business meeting to become part of the WCA platform.
