Re: CTH C Road Closure – Culvert Replacement

Update: This repair has been delayed due to high water levels. At this time, the road remains open to traffic. Future construction date to be determined.

County Highway C will be closed to all traffic 0.2 mile south of County Highway YY, starting at 7 AM Monday, August 12 through Thursday, August 15 at 6 PM. Two failing culverts will be replaced. This closure will be dependent on weather and water levels, any changes to this closure will be updated Monday, August 12. The detour for this closure will be County Highway YY to State Highway 102 to County Highway C. Please allow extra time for your commute.
