Re: Lane Restrictions – State Highway 13 & US Highway 8

Beginning on Monday, May 16th, 2022, the Wisconsin DOT will be restricting traffic to one lane at the STH 13 Bridge over the Elk River in the City of Phillips and the USH 8 Bridge over the CNN Railroad, 0.25 mile west of Lustila road in the Town of Prentice. These lane restrictions are necessary for a bridge deck concrete overlay project at each location. Traffic will be controlled by temporary signal lights. These projects are scheduled to be completed by June 16, 2022.

Thank you
